

MSA Gibraltar STCW Courses

Setting New Standards Together

MSA Gibraltar is a fully integrated partnership with the University of Gibraltar and a significant move to be positioned in Southern Europe.

For operators who have vessels in the Mediterranean or who use Gibraltar for visits, bunkering and crew changes, the facilities the University and MSA provide is second to none and perfect for their crew.

STCW courses available to book include:

4-part Basic Safety Training

Fire Prevention & Fire Fighting + Refresher

Advanced Fire Fighting Refresher

Personal Survival Techniques

Elementary First Aid

Medical First Aid

Proficiency in Medical Care + Refresher

Operational Fire Fighting

Bespoke courses from 1 day (when vessel is in port) to 5 days with elements including:

Effective search and rescue techniques

Hose handling including stairs and ladders, rigging in a hot smoky environment

Safe use on entry control board

Safe casualty handling

Organise and command fire parties

Effective briefing and debriefing in an emergency

Adaptable training environment

Safety Management System to reality training

Accommodation

Accommodation is available upon request to suit your training budget. Please discuss your requirements with MSA Gibraltar.

*Transfers from ship to training facilities will be provided.
